Training Programme on Establishment of Bio-input Resource Centre (BRCs)

From 25.03.2026 to 27.03.2026 (3 days)

National Institute of Plant Health Management (NIPHM), an Autonomous Organization under DA & FW, Ministry of Agriculture & Farmers Welfare, Govt. of India aims to develop a committed and competent cadre of professionals to promote sustainable plant health management in India. Since plant health is influenced by several biotic and abiotic factors such as soil, nutrient management, insect pests, diseases, weeds etc.; NIPHM is organizing various training programmes related to plant health management and creating a pool of master trainers. The institute is also providing technical support to various State Governments, ICAR, KVKs, SHGs, FPOs and other organization by imparting training, demonstration and awareness activity through on campus, off campus and online programmes. The proposed programme is focused on establishment of BRCs for FPOs/Enterprenures interested in organic and natural farming.

FPOs/SHGs/Rural youth
entrepreneurs
